IA

**SIMULTANEOUS
TRANSLATION**

“Unlocking Language Barriers”

Overcoming Language Barriers:

*Simultaneous Interpretation and Translation
for Events, Streaming, and Video On Demand*

OUR MOTTO

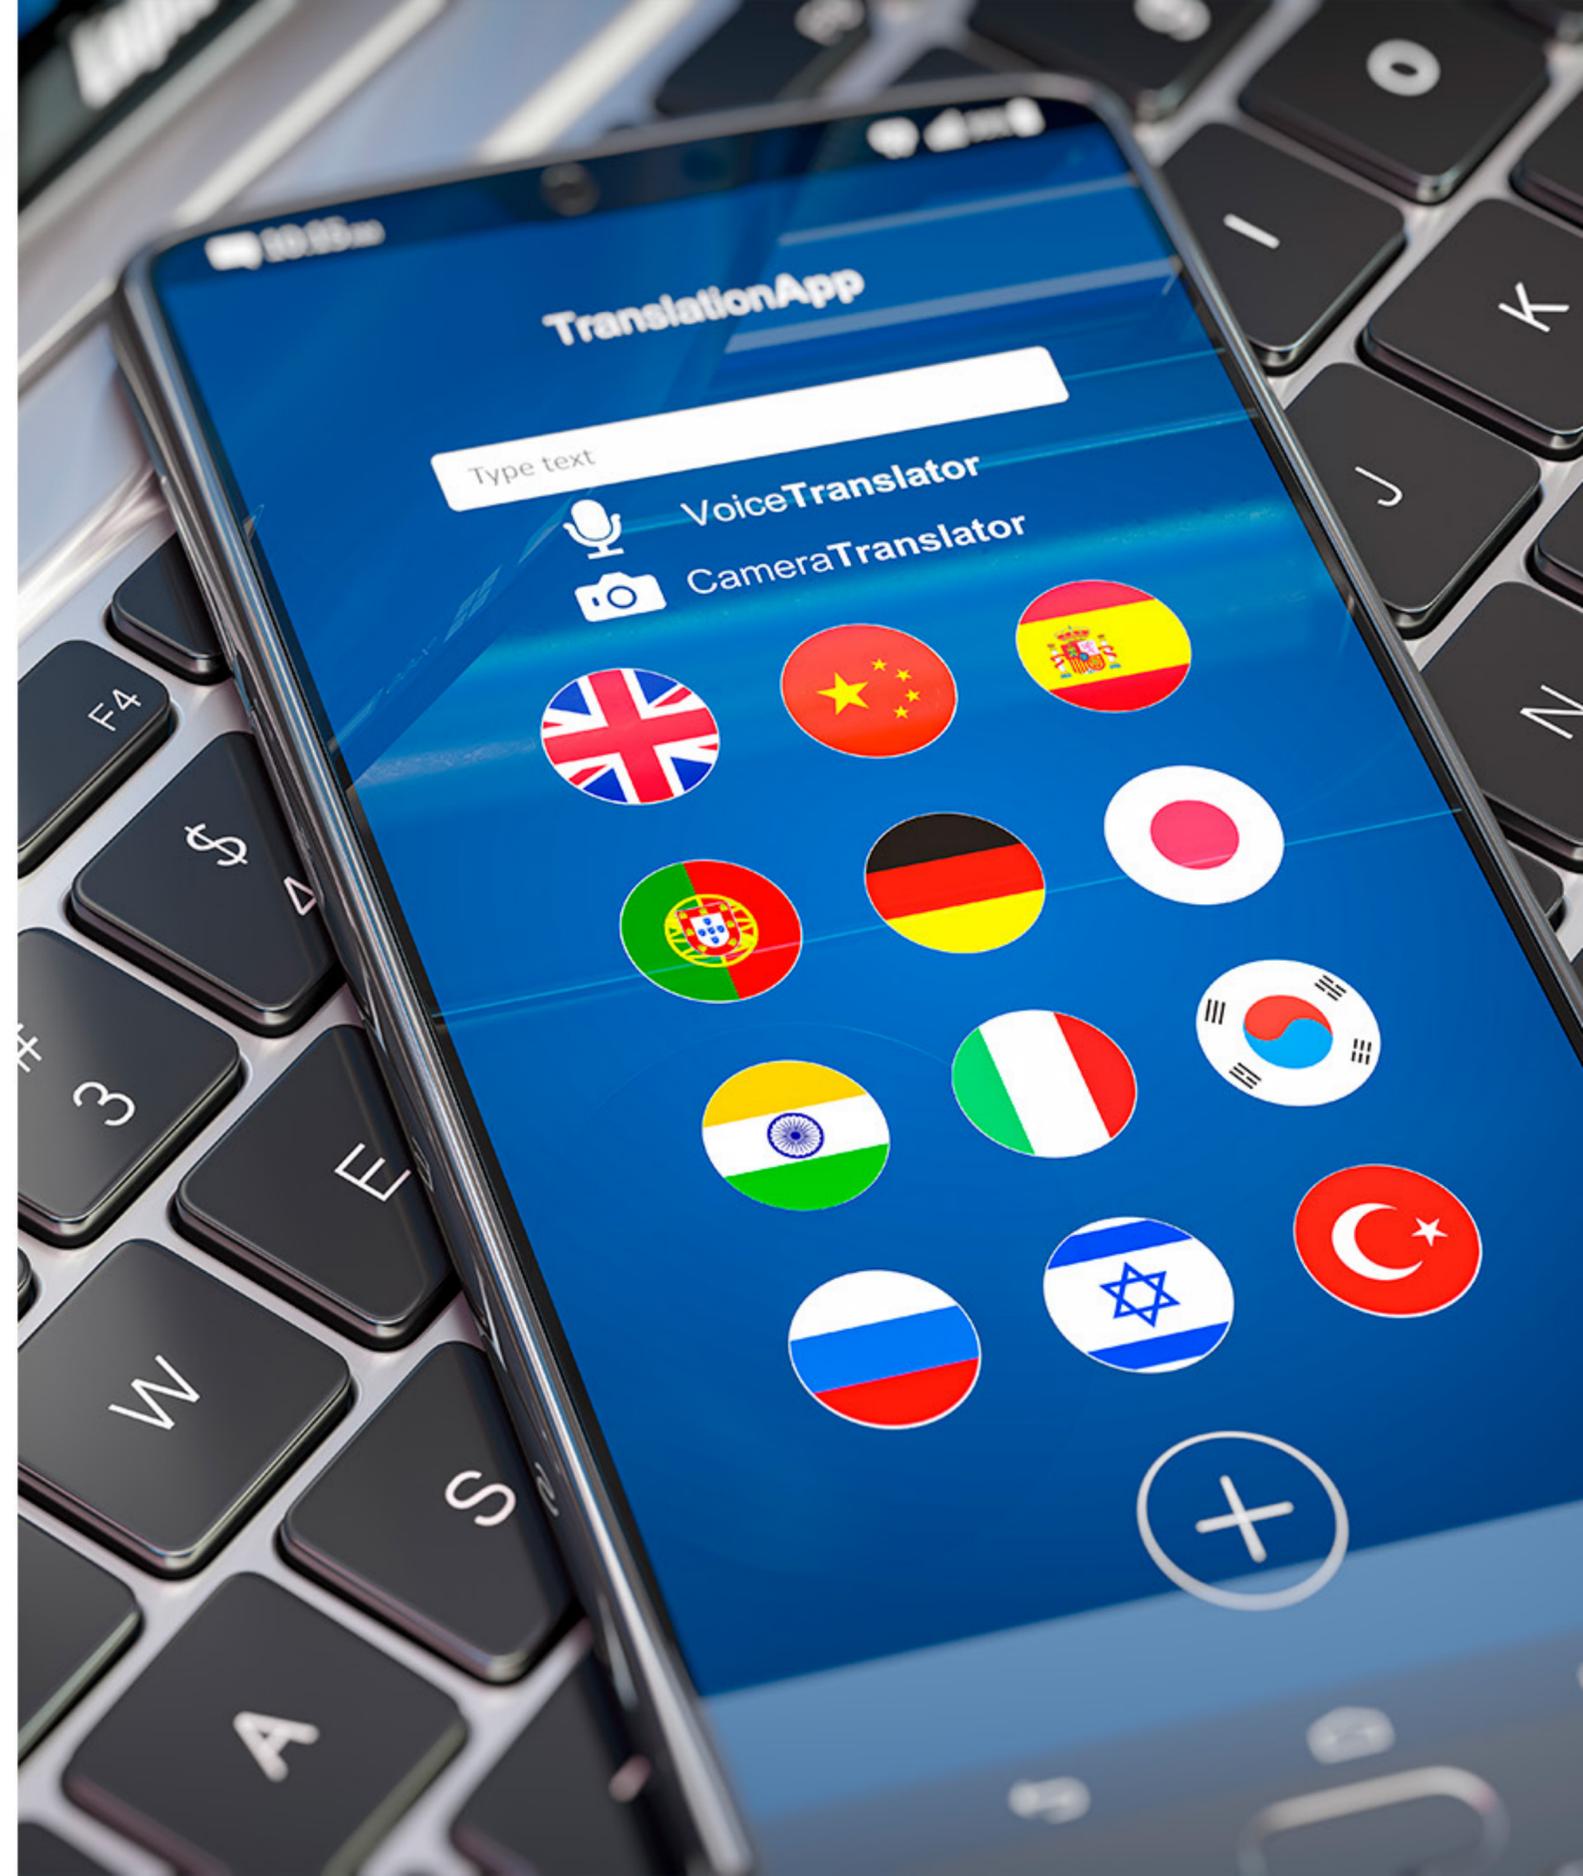

The image features a man in profile, wearing a denim jacket, holding a smartphone. Overlaid on the image are two audio waveforms. The top waveform is green and accompanied by a Spanish flag icon and a 'Grosse IA' label. The bottom waveform is blue and accompanied by a UK flag icon. The text 'OUR MOTTO' is written in large, bold, blue letters across the bottom of the image.

OUR GOAL

*In a globalized world,
efficient communication is essential.*

*We present our innovative solution
for simultaneous interpretation and translation,
**designed to transform your events,
live streams, podcasts and
on-demand videos.***

A PROBLEM

Language barriers can limit the reach of global events.

We need an efficient, accessible, and seamless solution.

*The **high cost of translators and infrastructure for simultaneous interpretation** makes it hard for audiences to enjoy content in their native language.*

THE SOLUTION

We have the answer!

Our simultaneous interpretation and translation solution is **flexible, fast, and easy to use**.

No need to set up traditional interpretation infrastructure (booths, translation equipment, etc.).

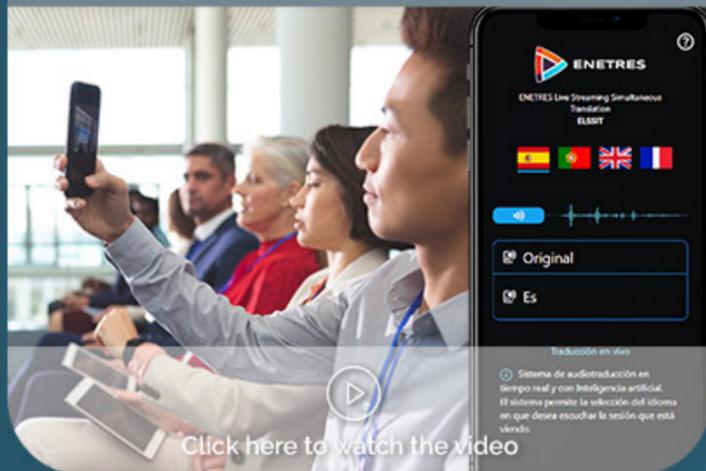

It's designed to make **global communication easier** than ever.

GROSSE-IA for events

Low-Latency Voice Translation

For physical events, offers real-time translation with just a 3-5 second delay—accessed via QR code.

Subtitles Projection

Display real-time subtitles using a chroma screen and project them live during your on-site event.

Audio Translation

Stream your event in multiple languages on any device - via our multilingual player or your social media platforms.

Subtitles

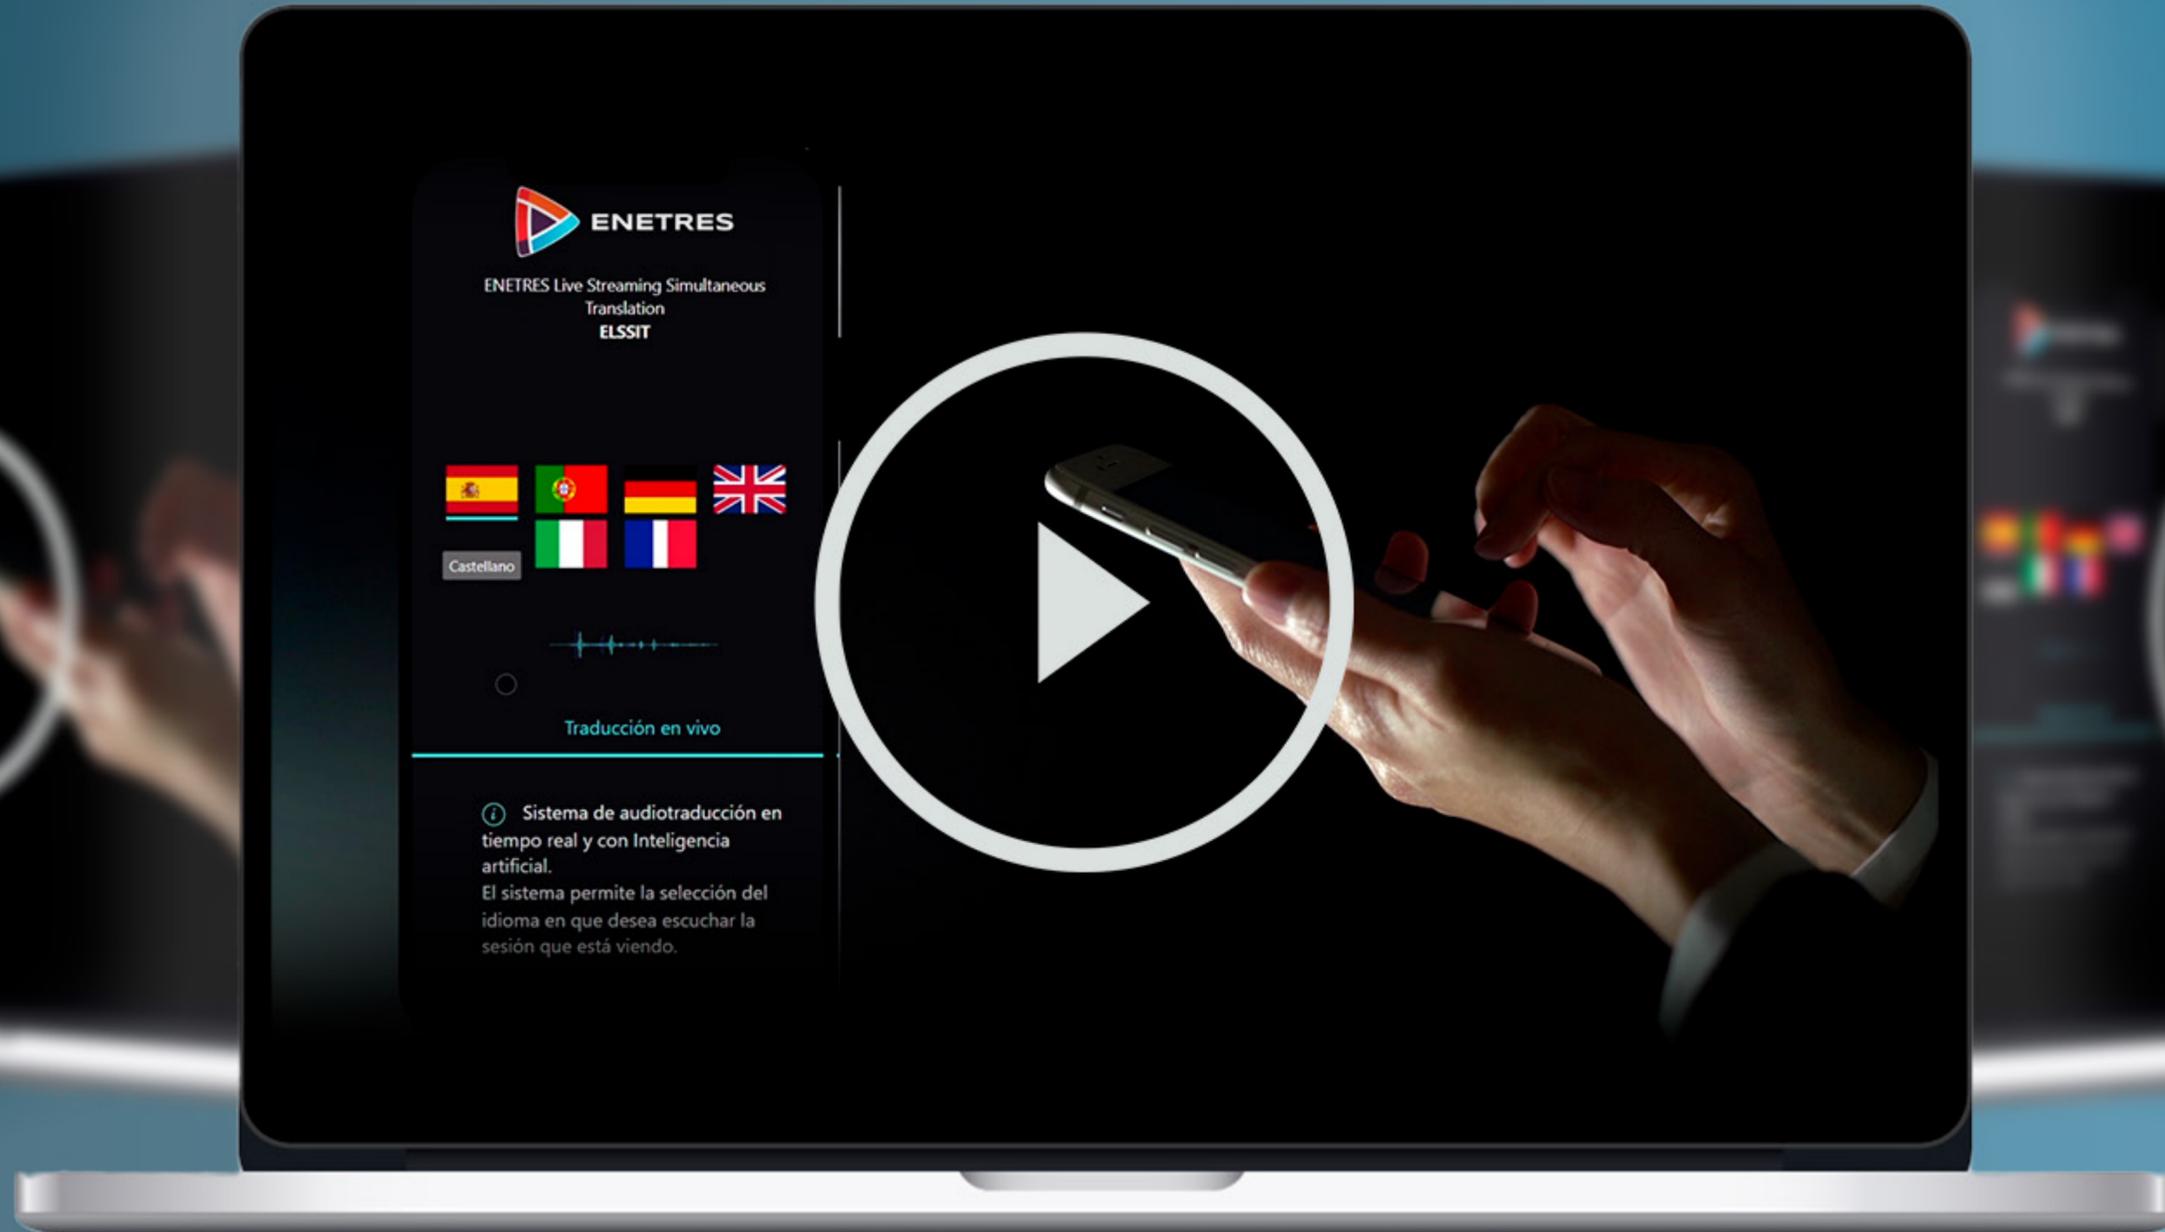

Use translated subtitles for live projection at physical events or to subtitle your live streams.

📍 **ONSITE** **ONLINE** 📶

Choose the mode that best fits your needs and maximize the potential of GrosseIA.

DEMO-VIDEO

GROSSE-IA

GROSSE-IA ON DEMAND

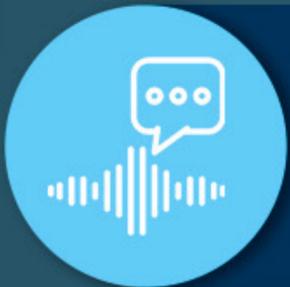

We also offer translation for Video On Demand (VOD) and Podcasts.

You can choose:

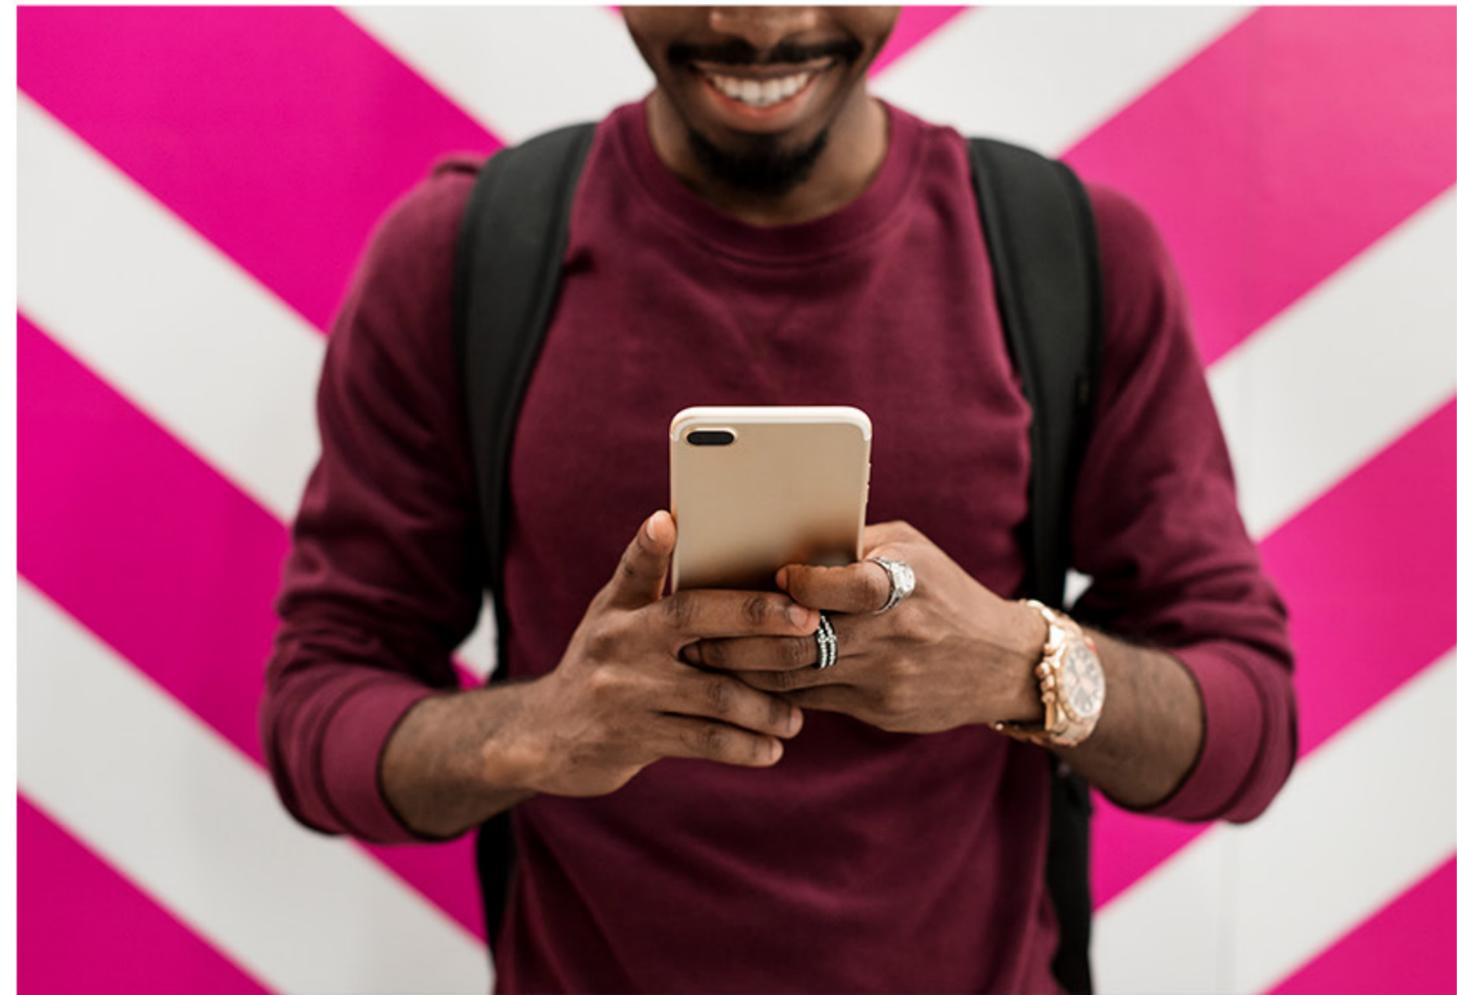

Male or female voices.

The target languages
for your content

GrosselA's player allows users
to hear both the original and
translated audio, enhancing
the user experience.

SERVICE **CUSTOMIZATION**
IS **OUR PRIORITY**

OUR ADVANTAGES

01 PRICE

Our solution reduces translation costs by 3 to 4 times compared to human services.

02 ACCURACY

Our system is trainable, achieving up to 100% reliability.

03 FLEXIBILITY

With a single stream, you can enable:

- On-site translation
- Online translation
- Instant publishing to social media

04 SUBTITLING

Add subtitles to make your content more accessible to all viewers.

05 MULTI TRANSCRIPTION

Record in all selected languages and distribute them from a single, unified player.

06 CUSTOM VOICES

Create custom voices, including a clone of your own or any voice you choose.

07 SIMPLICITY

The only technical requirements on-site are an internet connection, a mobile device, and headphones.

OUR CONCLUSION

We provide an **efficient and affordable solution** to overcome language barriers in **live and streaming events**.

**LET US HELP YOU CONNECT
WITH GLOBAL AUDIENCE**

ENETRES

We're ready to take your event or content to the next level of global reach.
